Northstar Services – Employee FAQ

Frequently Asked Questions | Updated 15 February 2026

Purpose

This fictional sample document was created for testing a multi-PDF Retrieval-Augmented Generation (RAG) application. It contains sample workplace information, not real company policy.

Q1. How much annual leave do I receive?

The FAQ quick answer says that full-time employees receive 22 days of annual leave per calendar year. This is a summary answer and employees should check the formal Leave & Attendance Policy for the governing entitlement.

Q2. Can I work from home?

Many office-based roles can work remotely for up to two days per week, with manager approval. The exact arrangement depends on the role and team.

Q3. Who approves annual leave?

Your line manager approves annual-leave requests. Submit the request through the HR portal before making non-refundable travel arrangements.

Q4. Can unused leave be carried forward?

Up to 5 unused annual-leave days may be carried into the next calendar year and should be used by 31 March.

Q5. Where can I find the official rule?

The Leave & Attendance Policy is the formal source for leave entitlement, carry-forward and absence-notification rules. If this FAQ conflicts with the formal policy, ask People Operations to confirm the current rule.
