Northstar Services – Leave & Attendance Policy

Employee Policy | Version 2.1 | Effective 1 January 2026

Purpose

This fictional sample document was created for testing a multi-PDF Retrieval-Augmented Generation (RAG) application. It contains sample workplace information, not real company policy.

1. Annual Leave

Full-time employees receive 20 days of annual leave per calendar year. Employees who join during the year receive a pro-rated allowance based on their start date.

Annual leave must be requested through the HR portal and approved by the employee's line manager before the leave begins.

Employees may carry forward up to 5 unused annual-leave days into the next calendar year. Carried-forward days must be used by 31 March.

2. Sick Leave

Employees who are unable to work due to illness must notify their manager as early as reasonably possible on the first day of absence.

For absences of more than two consecutive working days, a medical certificate should be provided to HR.

3. Remote Work

Employees may request up to 2 remote-working days per week, subject to role requirements and manager approval.

Remote work is not automatic. Teams may require on-site attendance for operational, customer or security reasons.

4. Joining-Year Example

An employee joining on 1 July receives 10 days of annual leave for that calendar year, based on the policy's half-year pro-rating example.

End of document.
